## Explanations

### Category 2

Mobile phones with a screen surface larger than 100 cm<sup>2</sup> can be reported using article code E6/01.

### Article codes E2/02, E2/03, E2/04, E4/24, E4/25, E6/01, E6/02, E6/03, E6/04 and E6/05

For these article codes there is a fixed administrative fee applicable. This fixed administrative fee for the ICT Milieu foundation is set at € 100.- per participant.

### Article codes E2/03, E2/04, E4/24, E6/01, E6/02, E6/03 and E6/04

Besides the mentioned fees for the article codes above (excl. monitors and professional IT appliances), there is a volume discount for companies with a Dutch Put on Market (PoM) of IT appliances of over 1 million kilograms. The discount will be calculated as follows: for a PoM over 1 million kg the fee for the whole volume will be reduced to € 0.040/kg.

### Article codes E4/10 and E5/05

The tariffs for E4/10 and E5/05 have not been adjusted yet. The foundation SMR can, in consultation with the relevant sector, decide on a change.

### Article codes E4/12 and E5/07

A maximum fee of € 47.50 per piece is applicable for these article codes.

### Article codes E4/30, E4/31 and E5/21

For these article codes there is a fixed administrative fee applicable. This fixed administrative fee for the Wecycle foundation is set at € 375.- per participant.

Article codes E4/31 and E5/21

All products without a primary electrical function but do contain one or more electrical parts that are secondary to the functioning of the product.

If the Dutch Put on Market for these article codes is over 10.000 kg, the price is € 0.017/kg

Article codes E4/26, E4/27, E4/28, E5/17, E5/18 and E5/19

On these article codes for luminaires, no distinction based on size is applicable, but on the basis of weight (> 750 grams or ≤ 750 grams).

**All fees excluding VAT.**
